### Practice Noise Friendly Flight

- Avoid low level flight activity over residential areas
- Runway 21 designated calm wind runway
- When departing Runway 03 request left or right turn prior to crossing Yuma Road unless otherwise directed
- Helicopters: Avoid residential areas, low altitude flights and long hover times
- When not in contact with ATC, monitor common traffic frequencies:  
 North of I-10/SR 60 – 122.75      South of I-10/SR 60 – 122.85
- Safety: Arizona Flight Training Workgroup website at [www.aftw.org](http://www.aftw.org)

NOTE: These procedures are recommended for Phoenix Goodyear Airport. They are not intended to abrogate safe aircraft operations.
